

*Grammar Makes Me Break Out in Hives* by Tiffany Martin

What's a comma splice?  
Or "and," can it be overused?  
My skin feels itchy

Emphasize a point  
How do I use a colon?  
The bumps are forming

Run-on sentences  
Semicolons make me cry  
I need to get away

Hmm, it's not so bad  
Now I know how to use it  
Some, not all of it

I will take it on  
I used it all along  
My skin's not burning

I don't feel faint at all  
But my confidence is low  
I'll keep on trying

I'll keep on trying  
Hopefully, I'll get better  
No, I will succeed

Maybe not today  
But I will, eventually  
Nothing can be lost
