Dear Parents

Well more in
great haste I eat my
self to write to you
in hopes that the time

I shall get an answer as it
has been eight or nine
week since I wrote in
answer to your last

This leaves us in very
good health. Dear Brother
your son to has become
a soldier one of those who
have sacrificed all the
comforts of home the so-
ciety of loved ones for the
United field. yes when it
becomes necessary to draft it

is time every true man
took the field those who
hang back now are either
cowards or traitors and
such I trust will never be
the name applied to me
but I must haste to a
close our last was two
shots or a from Roxanno
and one from me
all our folks are well and
now I will bid you good bye
From Oyer
